
PROJECT NAME:

Somerset Digital Innovation Centre

CLIENT:

Somerset County Council

LOCATION:

Taunton

M&E ORDER VALUE:

£1.9 million

CONTRACTOR:

Willmott Dixon

Initially procured through the SCAPE Construction Framework, Somerset Digital Innovation Centre is a 2,613 square-metre building. It comprises office, workshop, collaboration and meeting space over four storeys, as well as innovation support services targeted at digital economy businesses.

The project is funded by the county, the Government's Getting Building Fund and the European Regional Development Fund, with further contributions from Somerset's Business Rates Retention Fund and Somerset West and Taunton Council.
