

Dodd Group's South West Projects Team is delighted to be working with renowned award-winning celebrity chef, Michael Caines, to deliver the MEP services for the fit out of on his latest project in Exmouth "Sideshore"

This exciting new facility, which includes a centre run by Edge Watersports, will offer visitors to Exmouth access to a vast range of activities. Michael Caines has chosen this development to open a new dining venue, creating a space for all tastes: from a casual dining restaurant with an upstairs terrace to a dog-friendly café space downstairs providing lighter bites, homemade ice creams and local coffee.

Dodd Group has previously worked with Michael Caines to bring about the transformation of Lympstone Manor and we are proud to be working with him again on his latest venture.

Work at Grenadier Estates high profile project is well underway: "Sideshore" is due to be completed in time for the 2020 summer holiday season.
