

---

**PROJECT NAME:**

Police Investigation Centre,  
Wymondham

Mechanical, electrical and plumbing installation and commissioning for the new build police investigation centre.

The centre consisted of search areas, reception, secure cells, staff welfare, interview rooms along with general circulation areas.

---

**VALUE:**

£2.1 million

Points of interest: Part of a PFI contract with Norfolk Constabulary requiring close liaison with other stakeholders

BREEAM rating Very Good.
