
PROJECT NAME:

Chesil Street

LOCATION:

Winchester

M&E ORDER VALUE:

£2m

CONTRACTOR:

Galliford Try

"Chesil Street" is the design and construction of a new Extra Care Scheme located in Winchester on the former Chesil Street Surface Care Park.

The building consists of 52 individual apartments with associated interior / exterior spaces for lounging, meeting and socialising with others living at the complex and is set across three linked buildings with lifts to all floors.

- Self-contained one and two bedroom apartments
- Communal facilities - restaurant, lounge, activity rooms, laundry and outdoor space
- Day Care Facility, supported by Hampshire County Council
- 24 hour on-site care

The building accommodates those requiring Extra Care and is modern and contemporary to align itself with the current market.
