

Dodd Group's Smethwick based Property Care division has promoted two of its existing operational team to support its growth in the housing maintenance sector.

Ian Gregory has been promoted to the role of Electrical Services Director (Property Care) and George Dawson to the position of Strategic Projects Director (Property Care)

Congratulating the two new directors, Matt Lewis, Managing Director, commented "We have some exciting opportunities ahead within our Property Care and Facilities Maintenance Divisions and so it is with great pleasure that I have promoted Ian and George. It is testimony to Dodd Group's family culture that they are both long serving members of the Dodd Group team. We have a wealth of talent and expertise within our workforce and I am delighted to be able to reward hard work and dedication."
