
PROJECT NAME:

Saddleworth High School

CLIENT:

Oldham Council

LOCATION:

Saddleworth

M&E ORDER VALUE:

£4 Million

CONTRACTOR:

Tilbury Douglas Construction

The new Saddleworth High School is a £27 million project located in Oldham and was delivered on behalf of Oldham Council.

The 10,494M² facility includes 80 modern classrooms that have been designed to include faculties such as Science, Food Technology, ICT and Design Technology.

In addition to this, the school includes an extensive sports faculty that boasts a 4-court sports hall, fitness suite, activity studios, all weather sports pitches, athletics field, basketball/netball courts and tennis courts.

The school will accommodate up to 1,500 students aged between 11 and 16, and has been built in accordance with the Governments Priority School Building Programme (PSBP) and delivered by the Department for Education (DfE).
