Dodd Group was appointed by Willmott Dixon to provide the MEP installations to the shell and core of Northgate Yard, a 40,000 square foot mixed-use regeneration featuring a new cinema, bowling alley and restaurants, in Bridgwater town centre.

The seven-screen cinema, operated by South West company Scott Cinemas, has capacity for over 700 people across its screens. The ten-pin bowling alley, operated by regional company Allstars, will entertain families and groups with eight lanes of bowling and sports bar facilities.

Northgate Yard is the culmination of many years of planning for a central entertainment and dining hub for Bridgwater.
