
PROJECT NAME:

Harbour View Hotel

LOCATION:

Torquay

M&E ORDER VALUE:

£2.6 million

CONTRACTOR:

Willmott Dixon

Harbour View is an £11M hotel construction project built on part of an underused car park.

Dodd Group was appointed by Willmott Dixon to install the MEP services on the scheme which comprised a 120 bedroom hotel, restaurant, and car park.

The new hotel complements existing hotel accommodation in Torquay, bringing long term benefits to the town centre, businesses and the community.
