
PROJECT NAME:

Crownbridge School Extension - Work In Progress

CLIENT:

Torfaen County Borough Council

LOCATION:

Cwmbran

CONTRACTOR:

Tilbury Douglas

Crownbridge School is a local education authority maintained special day school, that educates children and young people with severe learning difficulties in the age range of 2 – 19 years.

Torfaen County Borough Council have commissioned a £6.85M, 50 place extension to the existing school and DGL have been employed to deliver all MEP Services on this modern Net Zero Carbon Building that is being developed in consideration of BREEAM Excellent qualifying criteria.

Our scope of work includes – New Electrical Infrastructure Works, PV Installation, EV Charging, Power, Lighting, Specialist (sensory) Lighting, Life Safety Systems, Data, Access Control, CCTV, Security, ASHP, Heating, Ventilation, Sprinklers, Domestic Services, Environmental Control, and Energy Monitoring Systems.

We are currently onsite and progressing work to facilitate Project Completion and Handover at end of August 2024.
