

William Briscoe, our Property Care division's Apprentice of the Year, has made the shortlist for the H&V News Awards Apprentice of the Year (Over 21) category. The awards ceremony, which will take place on Thursday 20th April 2017 at the Grosvenor House Hotel on Park Lane, London, is a major event in the HVAC calendar and received a high number and quality of entries submitted this year, so making it onto the shortlist is a fantastic achievement.

Dodd Group has also been shortlisted in the Building Services Contractor of the Year category: could a *double* be on the cards?
