

We are delighted to have been named Supply Chain Partner of the Year 2019 by one of our Property Care clients, Orbit Group. Orbit Group is one of the UK's leading housing providers, managing a growing portfolio of over 40,000 homes. Their mission is to lead in building thriving communities. To this end, Dodd Group's Community Crew has been giving a helping hand in refurbishing one of Orbit's community centre's at Tanyard Farm, having completed the refurbishment of Lighthorne Village Hall last year. Orbit's Simon Lieberman, Investment and Commissioning Manager, commented "We really appreciate that social value is not an add on to what Dodd Group does but it's right at the heart of your business. Great to work with like-minded organisations."
