

GONE YELLOW FOR ZOE'S PLACE

Congratulations to our Nuneaton office for raising an incredible £733 for "Zoe's Place" by holding a dress down/ wear something yellow day and cake sale. There was also guess the name of the bear, guess how many sweets are in the jar and many more fun activities to help raise money.

Zoe's Place is a Baby's Hospice based in Coventry which provides a home from home for babies with life-threatening and life-limiting conditions. They provide respite, palliative and end of life care to babies and children up to the age of 5. They have to raise £1.2 million each year as they only receive 10% of their funding from the government to fund the work.
