

Dodd Group's Northampton office has sponsored a football pitch at Crick Community Sports Centre in an effort to support their local community in Northamptonshire. The centre has a special connection for Damion Pidgeon who has been a UEFA Licensed Coach for the club since 2001.

Crick Community Sport Centre aims to deliver sport and fitness facilities for the community of Crick and surrounding villages. Crick Community Sports Centre is a CIO (charitable incorporated organisation) run by a team of trustees with representatives from the Senior and Colts Football Club, Crick Lions Cricket Club and Crick Parish Council. The need for a local community sports centre was identified as early as 2001. Construction commenced June 2012 with the site becoming operational in 2016.

Dodd Group's donation of £200 will help with the upkeep and maintenance of 6no pitches, 1no Floodlit MUGA and Pavilion ensuring it remains usable for Crick Athletic FC, Crick Colts FC, Youth Hockey, Tennis, Fitness Clubs and the wider community to facilitate events/special occasions.
