

Dodd Group has been awarded its fifth consecutive RoSPA Gold Award. This is a great achievement and testimony to how our QHSE team works tirelessly to keep our sites safe and our staff up to date with safe working practices.

Phil Wicks, Dodd Group's QSHE Manager commented: "*We have just won the Gold medal for achieving 5 RoSPA Gold awards in consecutive years and what makes this even more impressive is that it was our first 5 attempts. Well done to all of you and your teams, it is your impressive health & safety performance that makes this possible.*"
