
PROJECT NAME:

R.A.F. Lakenheath, Suffolk

M&E ORDER VALUE:

£9.4 million

Dodd Group was called upon for the provision of electrical and mechanical services associated with the Composite Medical Facilities and a new three storey annexe building together with the construction of a new Dental Facility at RAF Lakenheath undertaken over a 4 year period. The CMF project consisted of a 1960s building upgraded to comply with USAF and other medical and surgical standards.

This project received a national customer care award.
